SUBJECT.

Reservation of Wake groves in the State

Sl 1. From The Ex Comm?
No 6308/346 Dated 6-6-93
Requests to be furnished with
copies of the lists of Wake groves
ordered to be reserved by Govt.

Sl 2. From The Ex Comm?
No 1809/206 25-11-93

Sl. 7. From The Excise Commissioner.
No 2864/303 dated 5-2-94
Submits for orders copy of Mr. Dany's memorandum in re-demarcation and maping the Dake groves.

Sl 8. From The Excise Commr.
No 3082/316 20-2-94
Forwards copy of communication from the Dy Commr. Kolar, and requests early sanction to the advances applied for.

Sl 9. To The Ex Commr.
The Comptroller.
The Dy Commrs of Districts
No 16470-79/R.F.132-93 29-3-94
Sanctions for the advances applied for in the above.

Sl 10. From The Ex Commr.
No. C. 119. dated 25-4-94.
Forwards copy of communication from the Dy Commr. Hassan.

Sl. 11. From The Ex Commr.
No. C. 317. 21-5-94
Solicites early orders on the proposals submitted for the demarcation of Dake groves and requests to depute an Asst. Commissioner to expedite the work.

Sl 12. To The Ex Commr.
No 20350/R.F.132-93 22-5-94

Sl 12. Forwards the original lists of Dake groves received from General Districts.

Sl 13. From The Excise Commr.
No $\frac{2168}{219}$. Dated 2-11-94
Forwards copies of communication from the Dy Commr. Kadur and requests whether the enumeration of and the demarcation of Dake groves, should be proceeded with or not.

Sl 14. From The Ex Commr.
No $\frac{2330}{236}$ Dated 14-11-94
Forwards copy of communication from the Dy Commr. Bangar and submits his views on the demarcation of Dake groves.

Sl 15. To The Dy Commrs. of Dts.
The Ex Commr
The Supdt Rev. Survey.
No $\frac{31}{E.H.C}$ 22-11-94.
Issues further instructions regarding the demarcation of Dake groves.

Sl 16. To The Ex Commr.
No $\frac{11171}{27.132-93}$ 17-1-95
Requests to see that the lists of Dake groves are prepared early, advantage being taken this Jamabandi Season.

Sl. 17. From The Excise Commissioner
No. 3957/370 Dated 21-3-95.
Forwards copy of Statement of Dake grones in unoccupied forest lands in the Kadur District.

Sl 18. From The Ex Commr
No. 4526/434. 27-4-95
Forwards Statement of Dake grones in unoccupied forest lands in the Chitaldrug District

Sl 19. From The Ex Commr.
No. 317/28. 19-7-95
Forwards a copy of Statement of Dake grones being unoccupied forest lands in the Bangalore Dist.

Sl 20 From The Ex Commr.
No. 478/44 26-7-95
Forwards a Statement showing unoccupied Survey numbers in the Shimoga District containing Dake grones to be reserved

Sl 21 From The Ex Commr.
No 2499/234 11-12-95
States that reminders have been sent to the Dy Commrs concerned for the early Submission of the lists of Dake grones.

Sl 22. From The Ex Commr.
No 3802/385 26-3-96
Forwards copy of communication from.

from the Dy Commr Chitaldrug and requests that certain land, referred to therein may be included in the list.

l 23. From — The Ex Commr.
No $\frac{3930}{295}$ Dated 8-4-96
Requests the favour of being informed, if the particulars called for in paras 5 of Govt. progs: $\frac{16656-7}{R.7.132\ 93}$ of 30-3-96, received from the Dy Commr. Tumkur.

l 24. To — The Ex Commr.
The Supdt. Rev. Survey.
No $\frac{354-5}{R.7.132-93}$ 8.7-96
Approves to include certain lands in the list of Dake groves.

l 25. To — The Ex Commr.
No $\frac{356}{R.7.132-93}$ 9-7-96
States that the form in which the Statement for the Yadur Dt. has been prepared, differs from that adopted for in some other Districts and requests to submit a revised Statement.

l 26. From — The Dy Commr Hassan.
No 50. Dated 11-7-96
Requests to send, for reference, a copy of Govt progs: $\frac{1665-66}{R.7\ 132-93}$
Dated 30-3-96.

Sl 27. To The Dy Commissioner Hassan.
No. 904 / Ea 42 Dated 23-7-96
Forwards the printed copy of the Govt. progs 16658-66 / R.7.132-93 dt 30-3-94.

Sl 28. From The Ex Commr.
No 1353 / 104 24-8-96
Requests to return the lists of date groves reserved for Toddy Revenue submitted to this office.

Sl 29. To The Ex Commr.
No 3689 / R7.132-93 5-10-96.
Returns the lists of date trees reserved for Toddy Revenue.

Sl 31 From The Ex Commr.
No 5044 / 356 5-4-97
States that the lists of date reserves are not complete and the publication of the same should be deferred pending the introduction of the Tree Tax System.

Sl 32. To The Ex Commr.
No. 9286 / R.7.132-93
Records the above statement.

Sl 33. From The Ex Commr.
No. 7161 / 3C.4 12-4-98

Sl 33. Submits copy of his office Cir. No— No $\frac{6712-19}{332}$ dated 12-3-98. with certain observations.

Sl 34. To The Excise Commissioner No $\frac{1085}{Ex\ 107}$ dated 21-4-98 Records the above Statement.

Sl 35. From The Ex Commr. No $\frac{488}{27}$. 24-7-99 States that reminders have been sent to the Dy Commissioners to send the revised lists of Date Grows

Sl 36. From The Ex Commr. No. $\frac{618}{21}$. 24-7-1900 States that Mr. Darcy, the Dy Ex. Commissioner has been deputed to complete and submit a correct list of Date ~~Grows~~ Reserves for publication.

Sl 37. To The Ex Commrs. The Dy Commrs of Districts The Comptroller. No. $\frac{967-76}{R.7.144-93}$. 30-7-00

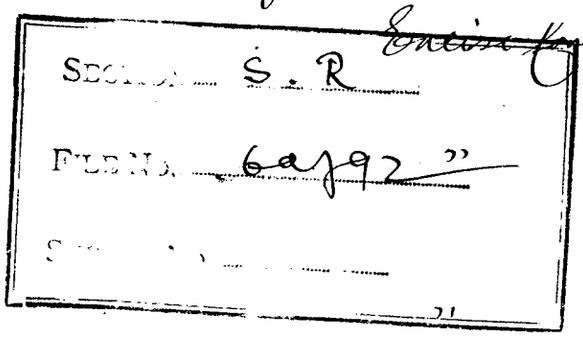
Approves the Excise Commission actions reported in his letter No $\frac{618}{21}$ dated 24-7-1900 (Sl 36 above).

T. V. Ramaswamy Iyengar.

Office Note 9/11/95

Subject :- Lists of Date Groves — Excise
for Today Post - pin[illegible]

References



Excise Comm's No: 395/370 dt 21/3/95 for Kolar Dt. list

No: 4526/434 dt 27/4/95 do Dt. list

No: 317/28 dt 19/7/95 — Banga Dt: list

No: 478/44 dt 26/7/95 — Shim Dt: list

The lists sent in vary in form: it is necessary that they should be uniform: it is essential that, to be useful of real practical use to (1) Government Excise Officials (2) the Revenue Officers & (3) Land Farmers under the new system, the return should contain information useful to all three —

1. The form adopted in the Kadur Dt is the best of those in the above four Districts to have as it very nearly follows the particulars prescribed by Govt in para 9 of Proc 1019-29 Cir to Dt & para 3 of Govt Proc: No 15422/30 dt 25/5/95 (Schedule 12/4/92) But the particulars inserted in the Statements from other Districts are in the other forms previously ordered in Proc No: 3856-64 dt 7/8/86 & 3593-81-8/11/9/94 and 11484 are wanting in the Kadur Statement by

Name of Taluk
Name of Hobli
Name of Villages
} in which the blocks, farms & Shops are situated

Area } of the Survey Nos reserved for
Assessment } Toddy Revenue.

3. Against the existing Survey Nos: utilized
of the Kadur Dt. Return
in each Taluk, the name of Taluk should be
inserted & so also against the shops. It is
possible or practicable to print red, black
violet, and green lines under each shop
indicate the Talukes in which they, like
as suggested by the Deputy Commr. of Kadur.
At that rate we shall need 13 colours for
the Mysore District!

As the lists will have to go to the press
& be printed & published in the Gazette
for ready reference and general information,
I would suggest that the lists stand as they
are and additional columns added as I
have done in the 2 books herewith sent
for reference (Vide form put up to take
in all the information needed under the
new system) The information is doubtless available as
we are practically giving effect to the new system.
5. It is of primary importance that it
should also be indicated in the lists how:-

(a) The surplus trees, if any, are to be
disposed of, for instance blocks D & E in the
Kadur District Statement in the aggregate
contain 59,477 trees of which 54,000 are
shown as utilized for the supplies of Toddy
It is not shown what is to be done with
the surplus of 5,477 trees!

(6) Then deficiency of trees, if any, for existing Toddy supply is to be met and the particulars of such supply Viz:- Village, Nana, & Survey Nos: & No: of trees assigned for the supply and whether Government unoccupied assessed or unassessed waste is available or recourse is had to Inam or other private (this should be named) source. For instance in Block A in Kadur Dt Statement, the No: falls short by 12,699 trees, but is met by only 11,037 from Block B: it is not therefore clear how the deficiency of 1,662 trees is to be made up.—

6. The quantity of Toddy entered in Col: 8 should be in Gadas of 24 seers

7 The area should be given in acres & Guntas, not in Khandis, Kolgas,

8. It is of primary importance that surplus groves should be reserved for the manufacture of Jaggery. In Bengal assessed land, paying land revenue, is utilized for the purposes instead of for cocoanut, areca nut and other garden cultivation, while here in Mysore, these valuable trees are being ruthlessly felled to extend ordinary cultivation and the Bella Edijas are abandoning this industry for want of encouragement. Suppose Messrs Parry & Co abandon or alienate their attached contract and a local firm without a Sugar factory takes up the con- tract, not a tree will be felt for the

× Explanation absolutely necessary

Note. There is a note in one of the files by Sir Shahadi Iyer to the effect why we should not grant our Date trees to extend cultivation when in Bengal all lands under irrigation are being brought under cultivation

irank of cheap jaggery for the wash Pale
if this industry be stamped out. We should
foster and improve our local industries
instead of stamping them out, especially
ve of the kind that utilizes an indigenous
oduce over thousands of acres yielding
a cash of Revenue in any shape to
vernment.

9. Then again, out of the area reserved,
tracts containing only a few hundred trees as given,
should be completely planted up by the
Deputy Commissioners & divided into fixed
blocks, the area not needed for Toddy Revenue
being given out for cultivation. The Deputy
Commr of Shimoga has noted in his register
how much of certain blocks should be reserved
for Toddy & how much given out for cultivation.
This is as it should be done in every District. —

10. Each statement should contain Talukwar
abstract giving the particulars as per margin
at foot for ready reference, so that it can
readily be made out how the matter stands
in each District. I have totalled
three Districts, as far as
figures were available

(1) No: of Villages
(2) " " Nanas
(3) " " Blocks
(4) " " Farms
(5) " " Shops
(6) Area reserved and classify
if land (Garden, wet, dry &
(7) Assessment on the
area reserved.
(8) No: of trees.

Yours Ale Solicited

J. H. J.

S[illegible]

Note

By 13/11/94
by Wor Rec Donnelly, Spl
Asst Comr, Doing Duty in
the Dewani's office, on the subject
of "Demarcation of Date Groves"
Letters from or to Mr Hawkes
Bangkwi & Kintampo &.

Date Groves have been
demarcated by the Revd:
Survey Dept and bandhs
placed round them.

2. What is now required
is to sub divide the above
blocks so as (a) to assign
to each farmer the number
of trees he will require to
meet his wants for the
shop or shops assigned to
his farm, & reserve
an adequate complement
for the ensuing year so
as to enable those tapped
this year time to —

4

2/nos Nos 2168-219
& 2/11/94 & 2330 &
236
14/11/94

recuperate, and be used
again in the following year
or years.

3 This sub-division may
be effectually done at a
trifling cost by placing
at the four angles of the sub
-numbers Mullu-Kunthaga-
-mara stumps or Gonés or
other big branches to
indicate the limits assigned
for each farm and the
surplus for the ensuing
year or years. as previously suggested

4. The blocks may be
numbered 1A, 2A, 3A &c
for the 1st year; 1B, 2B,
3B &c for 2nd year; 1C, 2C
3C &c for 3rd year and
1R, 2R, 3R &c for reserved
trees for other purposes. The
numbering may be effected
on the stumps by heated
irons with the required
indications as is done on
the Amrath Mahal Cattle.

the Cost will be a trifle
Compared with Hours
at 10 Annas & more or
trenching, or bunds &c.
5 If is imperatively
necessary in the interests
of the Paddy Revs that the
blocks must be so sub—
-divided, And I would
suggest the most ready
And practical mode of
doing so is that set forth
by me, and I would Com
-mend it to Govt for
favourable Consideration.
6. As for maps, the
village Survey map may
be traced on goa paper
on one side of the page and
on the succeeding pages
a Survey no: on which
Date trees stand. Against
this number on An enlarged
Scale, the dimensions of the
sub-numbers as indicated
by the tree stumps might
be jotted down. These sheets

might be stitched together for a Patch and neatly plotted in on tracing cloth by the Distt Surveyor at Head Qrs with the aid of the Distt Darogah & Give him full particulars. A heavy Expenditure for Regular maps will thus be saved.

7 As the Sub-numbers are Completed, the trees Could be Counted in each block and recorded in the maps.

8. This will not be at all necessary in such cases where the trees on block are appraised to a Farm. It will be understood only where Surveyed Farms are appraised thus in the Survey no:- The matter is very important, & necessary and can be readily carried out by striking off Square - The Contract is done the better.

16/11/94 — Asst Commr
Asst Commr
Dist Survey Office

2nd
Asst Commr
Please see the Revenue order appealed Regd & Govt - Does not meet the case
7/11

Submitted with a printed Copy of the order referred.
12/3/12
Sir, The orders passed disposes of the Revenue Depts wants. The Adjudication question is still to be decided.
The orders do not at all cover the point raised by the Sub-Dy Collector of Survey Nos: 16 stating that 9 of 6 Farms are appraised there in survey nos: containing Date trees. These all are the trees available for say two or three years - In the Sale Notice or at time of Sale "Public" is invited as each Farm is put up. All 9 Farmers pend in taking into all their Survey Nos —

and now comes the rainy
season. There are endless pros
ecs they set to work. They
select out the best trees. The
personally I would only take
more trees than are
required. Ignorant natives
are sent in who destroy
the trees wholesale. The
supply needs for the
existing year of years
is required. Trees not
tapped are quickly
cracked by frost, insects,
beetles, monkeys, and
agriculturists. It is
always the 2nd year. To
go on trees is rather
unfair to the Ladies Syndicate.

The wants of each
shop are known.

The out-turn per
tree in each locality
is known.

When the Estate is ready
work be can be taken over
& the Syndicate now: 4 of
10 acres divided ~~first~~ as:-

(a) To meet wants of the
current year 4 Quarters.

(b) next year 4 yrs.

(c) Surplus 4 yrs
for each Shop. & Grant of Trees before

(d) to provide for
agriculturists &c.

(e) I am only a question
of time when there will
not be a today tin standing

Superintendent

suppression is utterly impossible now and what is done is more mischievous than otherwise.

If the Dervish wishes he can set a one or two spears men. But be killed by the aid of one of the Dervishes to demonstrate what is needed. Clearly place on paper how the case stands & his Excellency can decide positively and perceive the evils which beset that question, & how alone can seriously the Indy Govt: possibly be applied in the near future

FILE No. 6 of 92

SUB

Memo:

In Government Pro: No. 31 D. H. O. dated 20th November 1894 it was directed that lists of all Date Groves (being unoccupied Government land) which are required for the purpose of the State Toddy Revenue should be ~~prepared~~ prepared in terms of existing Survey Numbers and submitted ⊗ as early as possible.

2. The Excise Commissioner ~~has~~ accordingly submitted the lists received from the Bangalore, Shimoga, Kadur & Kudur (Chitaldroog) Districts and requested that they may be ordered to be

⊗ Vide No. 16656-7 / A7. 132-93 dt. 30-3-94

No. 20350 / A7. 132-93 dt. 22-5-94.

No. 23043-4 / A7. 132-93 dt. 23-6-94.

published in the Gazette.

3. The form in which the Statement for the Kadur District has been prepared differs from that adopted by the Dy Commissioners of the Bangalore, Shemoga and Chitaldroog Districts. Mr Mc Donnell in his Office note dated 7th Dec/95 proposed ~~as~~ to get the information from all the districts on a very elaborate form, but as this may entail ~~considerable~~ labor and ~~Source~~ no useful purpose in connection with the present question of publishing lists of lands reserved for the purpose of the State Toddy Revenue, it is respectfully submitted that the Excise Commissioner may be requested to submit for the remaining Districts

of Kolar, Tumkur, Mysore & Hassan and also for that of Kadur, lists in form A printed with Government Pro. No. 1978-87 dated 8th June 89 with an additional column showing the number of trees standing on each Survey number.

Submitted with 2 drafts for approval or these orders.

Strick No 6 of file 132 (Pap- Secr-)

Precis of Correspondence regarding cases containing date trees.

× Vide letter read in Progs No 3593-81 dated 11th Dec/84 (1) a,

In June 1884 Messrs Dun Muddappa & Co submitted the question of the rights of Ryots to date trees on Kandayam lands.

× Vide Progs above referred to (1) a

2, The Dy Comm Salem was directed to ascertain the Contractors or their agents to name any particular date topes which they may wish to retain in view to steps being taken to assign such topes if necessary.

SECTION C 7
FILE NO 92

Paper No (1)

Further it is ordered that the rule (vide Survey Manual Part III Rule IV clause 4th) should be strictly enforced and no land on which any date trees may be standing should be let on patta given for cultivation except in most very exceptional circumstances and under the express ord

of the boundaries in each case. A question arises whether the grant of such lands is also called for. The rules in this case were meant for all districts

Vide Govt No 3258 Dy 12th July 86. 58 (4)

and in 1880 the whole of the survey was required in view to prevent undesirable rent cultivation lands containing patches but steps for demarcation of forest from which forest was being drawn in lands still remain to be settled. The work was to be done in the manner laid down for Amritsar Karuls.

Vide Govt No 3856-64 144 Dy 7-8-86. (Paper No 6).

5th Referring to rules exist in para 3 prohibiting the grant of lands containing trees it was observed that the restriction as it then stood was too general and that the Deputy Commissioner should be confined to those actually required for the purpose of the forest concerned. The Boundaries were required

in consultation with the Toddy Contractors or their agents & cause a statement to be prepared in a given form showing the situation, number, extent & aspect of all lands from which toddy is drawn whether such lands be in the possession of Ryots or Govt. The statement shd be Talukwise and submitted for orders.

Vide Govt Proc No 7462-9/202 Dt 25-2-89. (Paper No 5-9). Original is not

6 The lists for the numerous Talukswere received and orders passed in July 1889 observing that most of the Survey Nos shewn in them as fit to be reserved for toddy groves were of waste lands & ordering that none of them shd be given up for cultivation. In the col: of "Remarks" of the village accounts for (Kheda or Nadiad) both in the copies of the Taluk Records & in those with Shanbhogues the words "Reserved for toddy groves" should be entered against each of the

assessed & unappropriated
Nos recommended to be
so reserved & the Jamabundy
Offr shd verify & initial
the entries at the next
Jamabundy Settlement.
The survey Nos under
occupation shd not be
interfered with.

Chief Secy.

mbn

Dr R.A. Register No 96

This to be put to Council.

I fear the proposed addn will be abused -

Before deciding the question I wd like to know for what Dists we have Completed list of Lands Reserved on date grows. Where such reservation has been made, Govt Cultrs grants within such Reservation can safely be made, except where addl reservation is considered necessary by the Dist Court. To prevent mistake, better ask D.C. if any reservation for the interests of Tooty Fal a Jaggery manufactory is necessary. OFFICE NOTE.

SUBJECT.

Demarcation of date Groves.

LAST REFERENCE.

Letter No. 1811/208 dated 20th Nov/93.

from the Excise Comr in Mysore with No: 2317/2413 of 18.12.93 from the Secy

With the above, the excise Comr submits for orders copy of correspondence between the Dy Comr of Tumkur District & himself on the subj as to whether the Govt order contained in para 9 of Proc No 1019-29 of 4 12th April/92 regarding the demarcation of Toddy-Groves & blocks, refers only to the Districts in which the Groves have not been reserved

× Putup.

2/. The wording of the order is as follows:—

"In order to prevent the possibility of such disputes occurring hereafter, and generally to facilitate the future Toddy administration, it is necessary that every grove required for the purpose of Toddy Revenue should be carefully surveyed and divided into a number of blocks sufficient for the convenient administration of the Toddy Rev:. Such blocks should be distinctly demarcated, and the demarcation accurately shown upon Village ~~[illegible]~~ maps"

3. The Dy Comr on being requested for the work of demarcation of Date Groves being speedily carried out in all the Talukhs of Tumkur

Vide Excise Comr's 16=0/31 Dy 8th Nov/93.
(Enclosure to the letter under ref.)

District without further delay, reported that the Groves had been already selected and their reservation sanctioned by Govt, and that the survey Nos being clearly defined by well marked boundaries, no more demarcation appeared necessary.

Vide Dy Com's No 785 Dy 10-11-93. (Enclosure)

x Vide Govt Proc No 353-4/12 Dy 19-4-89. (Paper No 61 of file No 132 of 93-4

4. In reply the Excise Comr informed the Dy Comr that for the demarcation of Date Groves, the boundary marks of survey numbers were not sufficient & that every grove should be divided into blocks, and these blocks should be distinctly demarcated & shown on the village maps as laid down in Govt Proc

Vide No 1687/31 Dy 17-11-93 (Enclosure)

Ct 12th April 92.

5 The Dy Comr then reported that the Govt Grove referred to above seemed to refer to Districts wherein the Toddy Groves had not been selected & reserved and it was the survey insp to who had to depute measurers & this arrange for the demarcation of the Groves. He further represented that the present Hands around survey nos selected are sufficiently distinctive & branches are unnecessary.

6. The Excise Comr in submitting this question for orders says, though the Groves have been already reserved in the Taluk

Vide Dy Comrs no 846 Dy 21-11-93. (Enclosure to the letter under reply)

District, yet they cannot answer our present purpose, since they were so reserved long before the new Toddy System came into force.

~~[illegible]~~ He is of opinion that the Govt. order in para 9 of G.O. referred to applies to all Districts including those in which Date Groves have been reserved before the new System came into force, and requests that specific orders may be issued on the subject.

7. If the Groves as reserved before the advent of the new System do not serve the purpose, then it is a point for consideration and orders whether the reservations should not be revised in

all the Districts. It seems that such a revision was contemplated when the Orders of 12th April 1893 were passed. It is therein said that Mr. McDonell should submit to the Survey Office a list of the number of Groves to be surveyed in each District, and the Survey Office should determine the measures for surveying the reserved Groves. It is not known whether Mr. McDonell submitted the required list to the Survey Office, and whether any action was taken by him.

Submitted for orders with a draft for approval.

A. B.
12/12/93

Note. Mr. Dyer says that no further reservation nor revision is necessary.

8. The Excise Comm^r was asked to report whether Mr^s Mc Donnell submitted the lists above referred to.

Vide no 9324 / Ex 1324-93. Dj 13-12-93. Pntnfs

9. He has now forwarded for information of Govt a Copy of his circular memm laying down detailed instructions for the formation & demarcation of the blocks of Date Groves & has reported that the Survey Superintendent has informed him that he placed Surveyors at the disposal of the Dy Comm^rs to carry out the demarcation of the blocks of Date groves.

Vide no 2317/243 Dj 18th Dec/93.

Submitted for orders.

Dy Dr 26/12/93.

23/6/94

Note by Mr J. G. Mc Donnell on the demarcation of Date Groves in the manner laid down by Mr Davy & recommended by the Excise Comr in his No 2864/303 dy 5th July/94.

The Excise Comr may be asked in reply to state what action was taken by the Dy Comrs on Mr Mc Donnell's printed note sent to them in 1892 by the Excise Comrs which appear to contain very clear instructions on this point, & a report on which was called for in Govt Proc No 10 92-93 C.A. 4 dy 12th April 92 para 9 —

2. The large outlay for maps is unjustifiable. A quire or two of goa paper, stitched together will suffice & should be paged. The village map should be placed under the goa paper & traced off & numbered with the name of the village given at the head of the page. On the opposite page, the survey

nos: bearing date trees should be noted with the names of the shops depending thereon for supplies & number of yadas consumed at each shop. The survey nos: with date Grown should then be noted in another book & sub divided by sub nos: which should be placed on the leaf opposite on a large scale - One survey no: for a page, if necessary. The sub nos: into which the village nos were sub-divided should be noted as measured off on the field in the expanded figure of the survey no: on the page allotted therefor. The trees reserved for the current year, the ensuing year & for the 3rd year should be clearly indicated in the expand-ed figure of the survey no: under each sub no:. The surplus, if any, should be separately shewn & can be utilized for mat-makers, rope makers, basket makers &c.

3 The Daroga and the Taluk Inspr should be told off for this duty.

4 The Amildars should settle disputes.

5. The Rev: Asst Comrs, or the Excise Asst Comrs of the Dists if not, Treasury Offrs, can make a final inspection & report what has been done.

6. The Dy Comrs have re-served these complementary tenures to meet the wants of Govt under separate orders passed & the survey Nos: have, see this been recorded on those lists.

7. The Dy Comrs must now divide the above reserved survey Nos: into sub Nos: to meet the wants of each individual shop. The aggregate number required for a group of shops, which constitute a Farm will be readily made out. This is necessary as changes will have to be made at sales, or to dispose of the shops singly to secure the maximum Rev: to Govt under the new system ~~expected to~~ ~~arise are two~~.

No. 6308/344

Excise Commissioner's Office
Bangalore 6th June/1893
9th

From

The Excise Commissioner
in Mysore

To

The Chief Secretary to the
Dewan of Mysore

Sir,

I have the honor to request the favor of being furnished with copies of the lists of date groves ordered to be reserved in each District, for the purposes of Toddy Revenue, as per Government orders Nos 7462-9/202 dated 26 February 1889, 353/12 dated 19th April 1889, 1978-87/47 dated 8th June/89 and other subsequent orders. I am inclined to believe that the lists prepared before are not complete. As a separate Toddy establishment has now been entertained, I propose to cause the above lists to be carefully examined, compared and verified with the present actual state of affairs in each taluk, any omissions discovered being duly supplied, and any additions or subtractions required being made in them. After the lists are thus completed, they will be submitted to Government for publication in the Gazette for the information

aid & guidance of all concerned. The whole of the aforesaid lists of date groves do not seem to have been printed, only those of certain talukhs in the Bangalore and Kolar Districts being printed with Government Proceedings No 1978-87/47, dated 8th June 1889.

2. The prohibition against the grant of lands for cultivation when situated in the midst of date groves, as per Government Proceedings Nos 2824-35/57, dated 21st August 1883, and 3856-64/164, dated 7th August 1886, does not appear to be strictly enforced. I have therefore issued a circular to the Deputy Commissioners inviting their attention to the point.

I have the honor to be

Urgent

No. 1811/208 (Cont 1)

Excise Commissioner's Office
Dated Bangalore 25th November 1893.

From

The Excise Commissioner
in Mysore,

To, The Chief Secretary
to the Dewan of Mysore.

Sir,

In forwarding herewith, copy of the marginally noted correspondence between this office and the Deputy Commissioner, Tumkur District, regarding the demarcation of date groves, I have the honor to state that the Deputy Commissioner is under the impression that the order of Government in para 9 of Government Proceedings No: 1019-29/4, dated 12th April 1892, refers only to the Districts in which the groves have not been reserved. It is true that the date groves as per lists prepared and submitted by the Deputy Commissioner, were ordered to be reserved in Government Proceedings No: 353-4/12, of the 19th April 1889. But those lists, prepared as they were long before the new Toddy System came to force, cannot answer our present purpose.

1. Docket No: 1600/31, dated 8th November 1893, to the Deputy Commissioner Tumkur.
2. Docket No: 785, dated 10th/11 November 1893, from - ditto.
3. Docket No: 1681/33, dated 17th November 1893, to - Ditto
4. Docket No: 846, dated 21/22 November 1893, from ditto

× not forthcoming vide "Receipt" attached

2

I am of opinion that the order of Government in para 9 of Proceedings No: 1019-29, dated 12th April 1892, applies to all 4 districts, including those in which date groves were ordered to be reserved before the new system came to force. As the Deputy Commissioners do not seem to have taken any steps in the matter, I beg that specific orders may be issued early, for their guidance and prompt action.

2. The instructions which I have lately issued to all the Deputy Commissioners are to the following effect: —

(1) For the purposes of demarcation of date groves, the boundary marks of survey numbers are not sufficient.

(2) Every grove required for the purposes of Toddy Revenue, should be divided into a number of blocks sufficient for the supply of Toddy to the shops dependent upon them. Such blocks should be distinctly demarcated, and the demarcation should be accurately shown on the maps of the villages concerned, the number of bearing trees being ascertained and recorded in such maps.

(3) The demarcation should be distinctly made by running trenches, or by fixing stone pillars at suitable distances around each block, the cheapest and most convenient course being adopted according to the circumstances of each locality.

(4) In dividing the groves into blocks, the existing arrangements under the new system, should generally be followed as regards assigning shops or groups of shops to each block.

(5). Each block should be so formed that the trees therein may be sufficient to be tapped every alternate year, and to give adequate supply of toddy to the farms attached to them.

(6) Each block should be separately numbered and designated.

(7) Where the existing farms are unduly large, the same should be sub-divided into several small convenient farms, and the blocks of groves arranged accordingly.

(8) In taluqs where no date groves exist, or where the necessity for farming new date plantations is felt, suitable tracts should be selected and demarcated for growing date trees therein.

(9) In demarcating date groves, any lands in their midst, or surrounding them, should, as far as possible and necessary, be included in them to raise new trees.

(10). Four sets of the above maps should be prepared - one set for the Dewan's Office, one for the Excise Commissioner's Office, one for the District Office and the

the fourth for the Salary Office concerned.

(11) The progress made on the above points, should be reported to this Office at the end of each month, for communication to Government.

I have the honor to be

Sir,

Your most obedient Servant

S Whitty

Excise Commissioner

in Mysore.

Enclosure to
Sl 3

From.

The Excise Commissioner
in Mysore

To

The Deputy Commissioner
Tumkur District

Dated 8th November 1893

No. 1600
31.

Has the honor to request to be informed what progress has been made in demarcating date groves. As all the taluks in the Tumkur District have been settled, the demarcation of date groves can be speedily carried out after ascertaining what Survey numbers have to be included in each date grove. All the date groves situated in any one locality, may

may be grouped together into one "Date Reserve" and demarcated a distinguishing name being given to each of such "Date Reserves"

2. The groves in the Kunigal taluk assigned exclusively to the Civil and Military Station of Bangalore should be separated from those intended for the City of Bangalore, and demarcated accordingly the former being designated "Lashker Vana" and the latter "Shahar vana". The Darogah of the Bangalore Amani Toddy Vend Farm will be directed to help the Amildar of the Kunigal taluk in carrying out such separation and demarcation.

3. It is very essential that the demarcation of date groves in every taluk should be carried out as quickly as possible in view to prevent encroachments or any attempts

on

on the part of village officials to cause the lands containing date groves to be given out for cultivation.

4 In demarcating "date Reserves," any lands in their midst or surrounding them, should, as far as possible and necessary, be included in them to raise new date plantations.

5. In taluks where no date groves exist or where the necessity for forming new date plantations is felt, suitable tracts should be selected and demarcated for growing date trees in them.

To The Excise Commissioner Mysore

Dated

Dated: 10th November 1893.
11
Mis: No 785.

His docket No 1600 of the 8th
31
instant regarding the date
groves being demarcated.

Has the honor to State that
in this district the Survey
Nos suited for date groves
have already been selected
and their reservation sanctioned
by Government. The Survey
Nos being clearly defined
by well marked boundaries
on all sides no more demarcation
appears necessary, nor further
reservation to the exclusion
of extension of cultivation.
In the Sankir Taluk where
the date trees are very scarce
attempt is being made to
raise a date grove.
2. The division of the "Laskar
vaud" in the Kunigal taluk
into

into parts, one for supplying the town and the other the Cantonment of Bangalore, Can (the undersigned ween) best be made by the Todaroja of Bangalore as he knows exactly how much is required for each of those divisions - Suggests therefore that the needful orders may be given him. The Amildar of Kunigal will be requested to give him all the needful help.

/Signed/ B.K. Venkatavaradiya
Deputy Commissioner

From

The Excise Commissioner

To

The Deputy Commissioner
Tumkur District

dated 17/18 th November 1893.

No. 1681/33

The Deputy Commissioner's No. 785, dated 10/11 th instant.

In reply has the honor to state that

that the subject does not seem to have been correctly understood. For the purposes of demarcation of "date Reserves" the boundary marks of Survey Numbers are not sufficient. In each date grove there may be more than one Survey Number. As distinctly laid down in para 9 of Government Proceedings Nos 1019-29 Cir 4, dated 12th April 1892, every grove should be divided into a number of blocks sufficient for the supply of toddy to the shops dependent upon them. Such blocks should be distinctly demarcated, and the demarcation should be accurately shown upon the maps of the villages concerned, the number of bearing trees being ascertained and recorded in such maps.

2. In taluks where no date groves exist or where the necessity for forming new date plantations is felt, suitable tracts should be selected and demarcated for

for growing date trees therein.

3. The demarcation should be distinctly made by means of trenches around each block.

4. In dividing the groves into blocks, the existing arrangemen under the new system, should be generally followed as regard assigning shops or groups of shops to each block. Each bloc should be so formed that the trees therein may be sufficient to be tapped only every alternate year and to give adequate supply of toddy to the farms attached to them.

5. Where the existing farms are unduly large, the same should be sub divided into several small convenient farm and the blocks of groves arrang accordingly.

6. The progress made on the above points, should be reported to this office at the end of each

each month for communication to Government.

1. Four sets of the above maps should be prepared, one set for the Dewan's office, one for the Excise Commissioner's office one for the District office, and the 4th set for the Taluk office concerned.

[Signed] L. Ricketts
Excise Commissioner
in Mysore

From.

The Deputy Commissioner
Tumkur District

&

The Excise Commissioner
in Mysore

Dated Tumkur 21st/22 November 1893.

Mis: No 846.

His docket No 1681/33 of the 14th Instant.

Has the honor to State that

para 9 of Government order

No

No 1019-29 of the 12th April 1892
Cir: 4
alluded to in the above seems
to refer to the Districts wherein
the toddy groves have not
been selected and reserved.
And moreover it refers to the
demarcation to be made by
the Survey Superintendent.
In this district the date groves
have already been selected,
reserved, and sanctioned by
Government. Registers of them
have been prepared and Copies
thereof maintained in the Taluk,
District, and Government Offices
The present bands around
them are sufficiently distinctive.
The toddy renters and the
Toddy Inspectors generally
know which grove is attached
to which Shop. And the disputes
which rarely arise are easily
settled. It therefore seems to

The

the undersigned unnecessary and a waste of money to dig trenches round these groves. If, however, the Excise Commissioner thinks that this should be done it will be done. An advance of 1000 Rupees may be sent for the purpose.

Excise Commissioner
in Mysore

Enclosure
1 to S.(1/6

19

Excise Commissioner's Office

No. 2118-256/103 Bangalore, dated 14th December 18

Circular Memorandum.

The following instructions are issued in regard to the formation of Toddy Vend Farms, the division of date groves into blocks for the supply of toddy to the several Farms, and the demarcation of such blocks:—

(1) Detailed rules as to the mode of constitution of Farms have been laid down in Government Proceedings No.× 323-33, dated 24th September 1891, and Notification No.× 11813/R.F. 233-92, dated 14th January 189

× Perhaps

× Perhaps

Under these rules, the Farms have to be made as small and compact as possible so as to place them within the means of the professional toddy-drawing classes (Eddigars). In some taluks this has not been done evidently owing to large Capitalists under whom the Eddigars used to work formerly, having influenced the latter

latter not to bid for Small Farms.
The local officers should exert themselves to prevent such evils, and to induce the Kadigars to take up Small Farms in their own interests. The local officers should work on the principle that it is better to err in having the Farms too Small than in having them too large, because the smaller they are the greater the chance that the local Kadigars will come forward to bid for them at the Sales.

(2) No Farm should as a rule comprise more than ten Shops.

(3) In view to prevent disputes between the various Farmers in each Taluk and to facilitate the Toddy administration, the Government have laid down in para 9 of Proceedings No. 1019-29, dated 12th April 1892, Cir. 4 that every date grove should be carefully surveyed and divided into a number of blocks sufficient for the convenient administration of the Toddy Revenue, and that such blocks should be distinctly demarcated,

and

and the demarcation accurately shown upon village maps, the number of bearing trees in each block being ascertained and recorded in such maps.

(4) The demarcation should be distinctly made by running trenches or by fixing stone pillars at suitable distances around each block, the cheapest and most convenient course being adopted according to the circumstances of each locality.

(5) In dividing the groves into blocks the existing arrangements under the new system, should generally be followed as regards assigning Shop Farms or groups of Shop Farms to each block. Where the existing Farms are unduly large, the same should be sub divided into several small convenient Farms, and the blocks of groves arranged accordingly.

(6) Each block should be so formed that the trees therein may be sufficient to be tapped every alternate year, and to give adequate supply of Toddy to the Farms attached to them.

(7) Each block should be separately numbered and demarcated.

(8) In demarcating date groves, any lands in their midst or surrounding them, should as far as possible and necessary be included in them to raise new trees.

(9)

(9) In taluks where no date groves exist or where the necessity for forming new date plantations is felt, suitable tracts should be selected and demarcated for growing date trees therein.

(10) In dividing date groves into blocks the officials appointed for the purpose should begin the division at the North side of each grove where the groves run from North to South, marking as No 1 the block nearest the north, the next as No 2 and so on, until all the blocks in the grove have been demarcated and numbered. If, however, the groves to be divided into blocks, run from East to West, the officials should mark the block nearest the East as No 1, and so on, until the last block marked and demarcated lies most to the west.

(11) For guidance in apportioning and demarcating the date groves, it would be advisable to lay down that for a shop consuming 1 gada of toddy daily, not more than 400 mature trees should be allotted, and double that number for a shop consuming 2 gadas daily and so on proportionately according to actual requirements. Probably in places such as Chamrajnagar, Arsikerry &c which are the natural habitat of the date Palm and where it grows in great luxuriance, not half the number of trees would be required to produce 1 gada of Toddy; but 1 seer per tree seems a safe calculation for the Province generally.

From

The Excise Commissioner
in Mysore

To

The Chief Secretary to the
Dewan of Mysore

Sir,

In continuation of my letter No. 1811/208, dated 25th November 1893, I have the honor to submit, herewith for approval and early orders of Government, Copy of a Memorandum from my Assistant Mr. Davy, setting forth the mode of demarcating and mapping date groves, and of enumerating the trees therein, together with a copy of instructions to District Toddy Cargadi and Taluk Inspectors, as to how the demarcation and enumeration should be carried out.

2. Mr Davy's Memo. is a move in the right direction, enabling us to obtain an accurate knowledge of our Toddy resources, and ensuring to the Farmers a fair and definite apportionment of trees, thereby making them independent of the services of Subordinate officials in apportioning them trees, and of their placing difficulties in their way to get proper Supplies of toddy. The proposed arrangement would also, I believe, greatly tend to inspire Confidence in the Cadjans who are, I fear, at present somewhat diffident in bidding for Toddy Rend Farms.

3. I beg to solicit that the Superintendent of the Revenue Survey and Settlement may be requested to supply each Deputy Commissioner as speedily as possible, with five Survey

Maps

maps of each village Containing date trees, in his District, for the pur=pose indicated in clause (10) of my letter above quoted, and in para 5 of Mr. Davy's memorandum.

4. I would also request early Sanction to the advance of money required for carrying out the above work, and applied for in my letter No. 1809/206, dated 25th November 1893.

I have the honor to be,

Sir,

Your most obedient Servant,

L. Ricketts

Excise Commissioner

in Mysore

Enclosure
to Sl 8
Memo

For the Satisfactory Administration of the Toddy Revenue of the Province it is absolutely necessary that the boundaries of all date groves should be clearly defined, the number of trees accurately enumerated and an adequate number of trees allotted to each shop according to its consumption. In order to do this, I would make the following proposals and suggestions for the approval and sanction of the Government.

2. In each Taluk there should be at least one "Enumerating Party" to consist of the Toddy Inspectors and their Peons with the help of some 5 or 6 coolies to be procured from the village where the work is being carried on.

3. It is impossible to say with any degree of accuracy how long this work may take; — possibly some Talukks may be completed in a month, and others may take 3 or 4 months. This work in the Mysore District would, I think, be somewhat facilitated by referring to the rough lists of date groves made some few years ago, and which should still be in existence.

4. My plan of operations is given hereunder, and is the same as is being adopted in the enumeration of the "Lashkar" and Shahar Vanams" in the Kunigal and Kankanhalli Talukks. The men I have employed to carry out this work in those Talukks, will, when set free, be competent to instruct others.

5. In localities where date

groves

groves are scarce, or of insufficient
number for local requirements,
the Deputy Commissioner may
deem it advisable to concentrate
the work on those portions
first. The help of a Surveyor
will be needed in making new
boundaries where required, and
in getting up (colouring) the
maps. The temporary loan of
the services of at least one
officer Superior to an Amildar
will be required, and if he
has had previous experience
in toddy work, it would be
a decided advantage. One
or two clerks would also be
needed. Five complete sets
of Village maps should also
be procured from the Survey
Department to be filled in and
coloured as directed. Viz: one

for the Excise Commissioners office, one for the District office, one for the Taluk office and one for the local Inspectors. The Estimated cost is about Ninety Rupees a Taluk.

6. After the completion of this work, the "tree tapping license System" & any modification of it as may be considered desirable, could, without difficulty, be introduced.

7. As the Toddy leases terminate on the 30th June next, it is very desirable that this work should be commenced at once, as it will put us in possession of the most valuable information, and be of the greatest assistance when re-letting the shops for the ensuing years.

Instructions to Taluk Toddy Inspectors and District Darogas for

for defining the boundaries and
enumerating the number of
Date trees in the various Vanam

---

(1) Having decided what villag
lands are to be examined,
you should, with the help of
the Village officials (Potels and
Shanbogues), examine the villag
accounts and survey maps to
ascertain on what survey numbe
such trees may be growing.
Having ascertained this, the
defining of boundaries and
enumeration of Date trees may
be commenced, the only aids
needed being a few coolies,
a dozen flags fixed on bamboo
about 12 feet long, 3 ropes each
about 100 yards in length,
some pegs and some paper
and pencils.

(2) It is desirable for the sake
of

of uniformity to commence with the lowest Survey number and work upward by rotation, namely, begin with No. 1 (if there are any date trees growing on that number) and then do No. 2, and so on until all the Village numbers are completed.

3) After ascertaining the first Survey number that contains date trees, you should, with the help of the Patel or Shanbogue, find the Survey "bands" and place a man with a flag on each. Then with your remaining flags, make a base line either length ways or across the number, and let your Enumerators work in parallel lines with it, each man counting all trees on his right or left as may be agreed upon. This can be more accurately done

done with the help of the ropes and pegs. The Enumerators (Kous) should each carry a bundle of green fronds of the date leaves, and one of dry fronds, containing say 200 of each. One of the former is to be dropped at the foot of every mature tree counted and one of the latter at the foot of each immature tree enumerated. After completing one Survey No. the balance of each kind of leaf must be counted when the number of trees enumerated will be at once seen. This refers to places where the trees are in great numbers and very dense.

(4) Having completed a village the numbers containing date trees on the map thereof should be colored as follows, the number of mature & immature trees being Specified:—

Government unoccupied lands—Green
occupied lands — Red
Inam lands — yellow

Govt occupied & Inam lands.

(5) The enumeration of a second village should not be commenced until the first is completed in all its details.

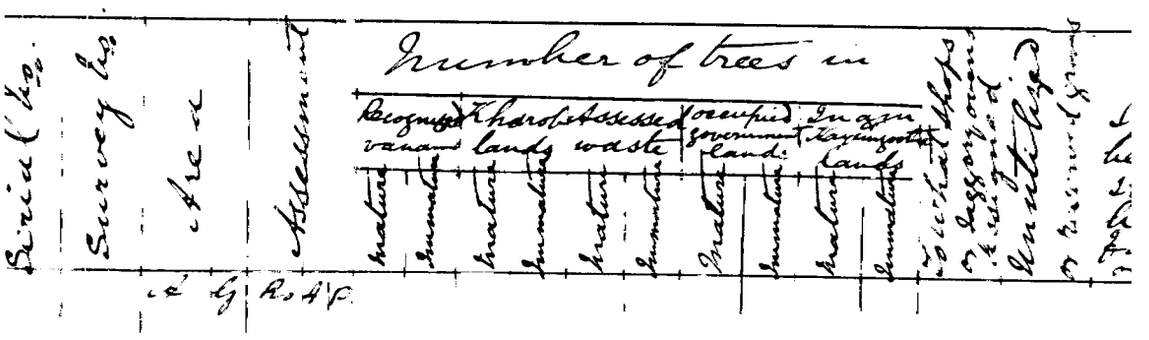
(6) Full grown trees and those that may be tapped within a year, should be counted as mature trees, and all of lesser growth as immature trees. Old, dry and unserviceable trees, as well as seedlings, shall not be counted.

N B Trees may be considered mature that have their lowest green branches springing from 2½ to 3 feet from the ground.

(7) The following form shall be observed in classifying and enumerating the trees.

Taluk.

Statement showing the localities and numbers of date trees on the lands of the village in the Hobli.



(8) As a rule, new or additional demarcations will not be necessary, except when considered advisable for convenience' sake, or for better conservation of the groves, or for the formation of several separate blocks wherever considered necessary.

(9) Where there are any groves or trees not allotted to any shop, they should be classed under "Unutilized or Reserved groves".

2-2-1894. /Signed/ W. Vincombe Davy

Excise Commissioner's Office

No. C.119
Enc:1

Camp Nandidrug 27th ~~Bangalore, dated~~ 25th April
1894

From
The Excise Commissioner
in Mysore

To
The Chief Secretary
to the Dewan
of Mysore

Sir,

In forwarding, herewith, Copy of letter No. 1154, dated 22nd instant, from the Deputy Commissioner, Hassan District, I have the honor to state that in the Hassan District, as well as in the Districts of Kolar, Kadur and Chitaldroog, Treasury Assistant Commissioners are in charge of the Excise work of those several Districts, while in the Districts of Bangalore

Bangalore, Mysore and Shemoga
separate Assistant-Commissioners
do the Excise work, and in the
District of Tumkoor the Deputy
Commissioner personally looks
after the Excise work. For obvious
reasons Treasury Assistant Com-
-missioners cannot be expected to
do the out-door work connected
with the Excise Department. I am
of opinion that, in view to satis-
-factorily and correctly carry out
the enumeration of date trees, the
sub-division of groves into necessary
blocks to be assigned to the various
Toddy Vend Farms, and the de-
-marcation and mapping of such
blocks, as well as the preparation of
complete and accurate lists of the
Lands containing such groves to
be finally reserved for the purposes
of Toddy Revenue as ordered in
Government Proceedings No.
1665-66 dated 30th March 1894,
R.F.132-93
the

the services of a separate and active Assistant Commissioner are required for each of the Districts in which one does not exist at present.

I have the honor to be,

Sir,

Your most obedient servant

Excise Commissioner

in Mysore

V.S.

Deputy Commissioner's Office

No: 1154/Mis. } Dated Kaccan 22nd April 1894.

Enclosure
to Sl & ID

From

P. N. Purnaiya, Esquire,
Deputy Commissioner
Kaccan District.

To, The Excise Commissioner
in Mysore.

Sir, Referring to your docket Rec: C 42-8 of the 12th instant requesting the early submission of complete lists of date groves and other lands in their midst or adjoining to them required to be reserved, I have the honor to inform you that the existing lists have not been subjected to the scrutiny and thorough examination of any responsible officer. Owing to the bulk of the work involved, the Amildars cannot be expected to finish this work within a reasonable time. The existing list, prepared as it has been, by irresponsible subordinates, took up several years, and I understand the list now called for is a correct, revised and complete list and it cannot therefore be

be possibly prepared within the required time. It is necessary that this opportunity should be taken to get up satisfactory lists for two reasons, namely:—

(1) The increasing revenue in Taddy makes it important that sufficient date groves are reserved.

(2) At the same time the expansion of cultivation especially of cocoanuts in the taluks where date groves are abundant makes it necessary not to reserve more than what on a liberal calculation the requirements are found out to be.

2. The allotment of groves to Durbars has not been yet finally settled. Complaints are coming of imperfect arrangements and it should be remembered that when the allotments were hurriedly made by Mr. McDonnell full investigation was not possible, and subsequently there has been no responsible officer available to make a special business of this work and carry it out on a uniform rule in all the taluks of this District. On these considerations I have more than once

once felt that an Assistant Commissioner should be specially deputed for some time to accomplish this. I have been unable to do so, for the plain reason that no officer was available. I would under these circumstances urge for your favourable consideration my proposal to depute an Assistant Commissioner specially for the settlement of this grand work in the Coorg department on which its future depends and request you to forward this my application to Government for an Assistant Commissioner for special duty, with your support. I would have reported at length what all I have done to get through this work with the present staff and how I have felt thwarted, but I refrain from doing so for fear of lengthening this communication.

I have &c.

(Signed) P. A. Parmaiya
Deputy Commissioner
Hassan District

Office of the Excise Commissioner
in Mysore Camp Nandi Hills
Dated 21st May 1894.

From

The Excise Commissioner
in Mysore.

To

The Chief Secretary
to the Dewan of Mysore.

Sir,

In continuation of my letter No: 2864/303 dated 5th February 1894, submitting for approval and orders, memoranda of instructions setting forth the mode of demarcating and mapping date groves and of enumerating the trees therein, I have the honor to bring to the notice of Government that at the sales of Toddy Vend Farms for the year 1894-95, instances have occurred, in which the intending bidders refused to bid for certain Farms unless additional groves were assigned to them, on the ground that the trees formerly allotted to them, had been worked out; and the officer conducting the sales, accordingly granted additional groves. The difficulty

was

was thus temporarily tided over with no thought for the future. What has been done in the above instances, will have to be done now or in future in regard to other Farms similarly situated.

2. The Settlement for 1892-93 by the two Special Officers was made in a hurry, so that the requirements of each Farm do not seem to have been fully ascertained and provided for. The Deputy Commissioners as well as Amildars, are therefore in the dark as to the number of date trees in each grove, the requirements of each Farm, the exact resources of toddy in each locality, &c. Under such circumstances, it is of utmost importance that, in the interests of Toddy Revenue, the demarcation and mapping of date groves and enumeration of trees, &c on the lines proposed in the letter under reference, should be commenced without further delay, and completed at least three months before the commencement of the next sales. Therefore I solicit the favor of early orders on the subject.

87

3. In inviting attention to my letter No: C.11
dated 27 April 1894. I beg to request that
an experienced and active Assistant Commr
may be deputed as early as convenient, to
carry out the work in each District. Such
officer should, while performing the above
operations, report, as soon as possible, the
toddy resources of each Farm, where the groves
are in excess of existing requirements, where
they are insufficient, how and from what
source the insufficiency may be met, and
also the plan of operations in regard to the
rotation or rest to be given to each Toddy
Grove, and how it is to be renovated or
extended by methodical planting of date
seed, where new date plantations are to be
raised, how the existing new plantations are,
how far the planting operations are progressing.

I have the honor to be,

To

The Excise Commissioner
in Mysore.

Sir,

In reply to your letter No. 469 dated 27th July 1894, I have now the honor 12 to forward the General Assistant Commissioner's progress report on the demarcation of the Separate vanam in this District.

Most of the vanams have been roughly traced out on plain paper and the General Assistant Commissioner now asks for a sum of money to buy tracing paper for the purpose of mapping out the vanams and forwarding them to you for approval.

As it was decided by the Dewan at the late Representative Assembly

that the demarcation of these vanams was not absolutely necessary, I am directing the General Assistant Commissioner to desist from further action in the matter until further orders are received from you on the Subject. I am now directing the General Assistant Commissioner to purchase the necessary tracing, ——— out of the Rs 400/- you have placed at the disposal of this District for the purpose of demarcation and which I trust will meet with your approval. I am also directing the General Assistant Commissioner to hasten the settlement of the remaining number of vanams and to forward all maps and statistics at an early date

I have the honor &c.

Sir,

I have the honor to submit the following report about the progress of work connected with the demarcation of Toddy groves in the Kadur District for the quarter ending 30th September 1894.

1. Selection of Survey numbers } The selection of Survey numbers containing date trees were all nearly completed except a portion of Bidaré Hagani Kadur Taluk which required personal and careful inspection. This will be completed early.

2. Preparation of maps and lists. } The required maps & lists are ready for all the groves settled and the rest will be completed as soon as the selection

of Survey numbers is made.

3. Fixing of Boundary marks ... } This work has not yet been commenced, and it is proposed to take up this work as soon as the demarcation stones are ready, for supplying which according to Govt. approved arrangement were made during my visit to Kadur in September last. Stones are being quarried for the purpose.

4 Expenditure } out of Rs 400 allotted for the demarcation work in this District Rs 100 has been drawn as an advance and paid to the vaddars for the preparation of these Stones. The Stones are required to be 5 ft. long and 9 inches Square the cost of which is estimated at 10 annas each. The bill with vouchers will be Submitted for Sanction as Soon as they are received from the Amildar of Kadur Taluk

5. General Remarks ; With reference to the Excise Commissioner's remarks contained in his Lr. No. 469/12 dated 27th

27th July 1894, I beg to report that Toddy
groves have been reserved and allotted
to Chickmagalore, Mudgere and
Canikere Taluks. For every gadda of
toddy consumed in any Shop 400
trees have been allotted. This number
is nearly 50 Per cent more than the
actual number required for the
quantity, thus providing for increased
consumption as well as for casualties.
Immature trees have been left out
of this calculation as they are
expected to replace trees that may
become dried up or useless. Some
Reserve vanams will also be set up
for contingencies such as manufacture
of date Jaggary and any new
Shops that may be Sanctioned.

6. I also beg that Excise Commissioner
may be kindly requested to accord
Sanction for purchasing tracing
cloth and mapping papers similar
to those used in the Revenue
Survey Department for the
maps

I have the honor &c

/Signed/ K. Ramaswami Iyengar

Excise Commissioner's Office

No. 2330 / 236 (Encl) Bangalore, Dated 14th November 1894 / 15

From

The Excise Commissioner
in Mysore

To

The Chief Secretary
to the Dewan of Mysore

Sir,

In forwarding, herewith, Copy of letter No. 1444, dated 13th instant, from the ~~Deputy~~ Commissioner Bangalore District, I have the honor to request that definite instructions may be issued by Government as to whether date groves should be demarcated or not. With a view to define the limits of the groves assigned to the various Toddy reed farms, it was intended in accordance with the views of Government expressed in para 9 of Government Proceedings No. 1019-29 Cir 4 dated 2nd April 1892, that the trees

in

in; each grove should be enumerated;
that sufficient number of trees
with ample provision to give rest
to the trees every alternate year
and for increased Consumption
and Casualties, should then be
allotted to each Farm, and that
each such allotment should be
Constituted into a block, demarcated
and numbered Consecutively. A
list of Survey numbers would
suffice only in the case of those
Farms to which the groves —
embracing entire Survey numbers,
are assigned. But there are
Cases in which groves situated
only in portions of Survey numbers,
are assigned to one Farm, those
in the remaining portions being
assigned to Several other Farms
Cases of this kind ought to be
distinctly defined to avoid —
disputes &c.

2. The favor of early orders is
Requested.

I have the honor to be
Sir,
Your most obedient Servant
Excise Commissioner

Bangalore.

Sir,

In reference to your Ro. 4244-51/202 dated 3rd July 1894, I have the honour to state that at the conference held in Mysore at the Dewan's house in October last, it was arranged that the vanams need not be demarcated and that a list of the Survey numbers would suffice, and to request your definite instructions in writing.

I have the honour to

/Signed/ L. Chandy.

No. 44

In ~~reply to~~ continuation of this office Rc. 317/281 dated 19th/22 July 1895.

SUBJECT.

Forwards copy of a Statement showing unoccupied Survey numbers in the Shimoga district containing Date groves to be reserved for the purposes of Toddy Revenue.

Per Excise
31/7/95.

References (to be entered only in the Dewan's Office.)

Excise Commissioner's Office 1896

No. 478 Camp Mysore, dated 26th July 189.
44 (Encl) 29

From.

The Excise Commissioner
in Mysore.

To The Revenue Secretary to the
Government of Mysore

Sir,

In continuation of my letter No.
317/28, dated 19th July 1895, 22 I have the
honor to submit, herewith, copy of
Statement showing unoccupied Survey
Numbers in the Shemoga District, containing
Date groves to be reserved for the
purposes of Toddy Revenue, and to
request that it may be published
in the Mysore Gazette, and that the
fact of each of the said Survey numbers
being so reserved, may be ordered to
be noted in the Ketwar Patriks or Village
accounts Rs. 1 of the Villages concerned.

I have the honor to be,

Sir,

Your most obedie

I Ricketts

Excise Commissr
in Mr

Shamnad

ated 20th January 1898

No. 6695-703
Ex. 241

original
S.R.F. 74 of 96
Sl. No 6.

Directing the prompt preparation of omplete lists of date groves reserved for the urpose of Excise revenue, and prohibiting he grant for cultivation of date lands fit to e reserved without previous reference to he Excise Department, pending final orders n the matter.

M.G.C.P.B.—9-2-98—250

Proceedings of the Government of Mysore, Excise, dated 20th January 1898.

READ:—

Letter No. 2787-136, dated 22nd September 1897, from the Excise Commissioner in Mysore, submitting, with reference to Government Proceedings No. 2950—Ex. 112, dated 18th September 1897, his opinion on certain points connected with the question of granting lands containing date trees for cultivation with or without reservation of such trees.

No. 6695-703—Ex. 241, DATED BANGALORE, 20TH JANUARY 1898.

ORDER THEREON.—Government consider that the only way of dealing satisfactorily with the question is to insist upon the very early completion of the lists of lands containing date trees to be reserved for the purpose of the State toddy revenue. The lands thus reserved should on no account be given out for cultivation without the previous express sanction of Government nor should there be any restriction whatever as regards lands not included in the list of reservations. With this object in view, the Deputy Commissioners of districts are requested to submit, at an early date, through the Excise Commissioner, for formal sanction of Government, complete lists of reservations they would now recommend for the purpose of Excise Revenue.

2. Pending the final orders of Government in the matter, Deputy Commissioners of districts are requested to see that lands containing date trees are not granted for cultivation without previous reference to the Excise Department, unless the number of such trees is in their opinion too small to justify reservation and the lands are not situated in tracts of spontaneous growth of toddy trees.

Excise Commissioner's office.

Bangalore, dated 2nd/12th March 1898

Re. 6712-19/337 From

The Excise Commissioner
in Mysore

To

The Deputy Commissioners
of Districts

Sir,

With reference to Govern-
-ment Proceedings No: 6695-703/Ex: 241,
dated 20th January 1898, asking for
early completion and submission
of the list of lands containing Date
trees to be reserved for the purposes
of State Toddy Revenue, I have the
honor to request that the list re-
-ferred to therein, may be caused
to be prepared in the accompany-
-ing form, carefully and completely
with due regard to the Tree-tax
System, and to the fact that paucity
of Date trees for toddy is felt in
many taluks, and sent to this
office.

office, as early as possible, for submission to Government for formal sanction.

2. I have to observe that several attempts were hitherto made for the satisfactory preparation of this list, but the task remains unaccomplished. As there is a fairly sufficient staff now in the Excise Department, I have directed the Divisional Officers to get this list prepared Hobli wise by the Supervisor of the Range, assisted by Inspectors and forward it to the Deputy Commissioner. I request you will please instruct the responsible Taluk officers, Amildar & Sheristadar, to check a certain percentage of the entries with reference to correctness of revenue numbers and other details. Should there be a second examination by an Assistant Commissioner of the District, there will be uniformity

in

in the preparation of these [illegible]. I need not point out the necessity for your ordering the Taluk authorities to direct the Shanbogues & Patels to give all necessary information with regard to identity of numbers, &

3. In regard to para 2 of the Government Proceedings under reference, I beg to be favored with your opinion as to what number of trees per acre may be considered too small to justify reservation. The safest plan seems to me not to grant for cultivation any land the assessment whereof is less than the revenue which could be derived from the Date trees standing on it.

Thanc &c

SBP—3-8-1900—200

65

Proceedings of the Government of Mysore, Excise, dated 30th July 1900.

READ—

The following letter No. 618—21, dated the 24th—27th July 1900, from the Excise Commissioner in Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.

***

Adverting to Government Proceedings No. 8185—Ex. 318, dated 4th March 1898, I have the honor to state that, with a view to the correct preparation and publication of the lists of "Date Reserves" without further delay, I have deputed Mr. Davy the Deputy Excise Commissioner to make necessary enquiries and inspection in each taluk and submit to my office a complete and correct list as soon as his enquiry and inspection in each taluk are finished, so that it may be transmitted to Government for publication in the *Gazette*. I have requested the Deputy Commissioners of districts to instruct the Amildars and Deputy Amildars and village officers to give necessary help to Mr. Davy, to enable him to make the lists complete and accurate.

No. 967-76—R. F. 141-93, DATED BANGALORE, 30TH JULY 1900.

ORDER THEREON—The Excise Commissioner's action reported in the letter read above, is approved.

2. The preparation and publication of correct and exhaustive lists of "Date Reserves" should, in the opinion of Government, be no longer delayed. This is a matter to which Government attach the greatest importance, and they hope that the Deputy Excise Commissioner will be able to complete his inspection and submit taluk-war lists as quickly as possible. Government have no doubt that the Deputy Commissioners and their Assistants, Amildars and Deputy Amildars will give Mr. Davy every possible assistance in this respect, as without their co-operation, and the ready and willing help of the villagers concerned, this important work cannot be carried out as expeditiously and satisfactorily as might be wished.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Excise Commissioner in Mysore.
The Comptroller to the Government of Mysore
The Deputy Commissioners of Districts
